- Update to Section 11 - What we ask of our parents ([Cooperation 11.1](#)).  
*Parent signature required on the Parent Behavior Contract - see Back to School Forms.*
- Emphasizing [6.1 Absences](#)  
*The practice of taking students out of school for family vacations/travel and for other personal reasons during the school year is highly discouraged. More updated information for absences and tardies will be provided later in the year.*
- Update to [Extended School Care](#) fee - The hourly charge will begin when students are checked in to any Extended School Care program. (See [Billing](#) in the [Extended School Care Handbook](#) for details).
- Emphasizing [10.4 Clothing and Appearance](#)  
*It is the parents/guardians responsibility to take the leadership and guidance for what their child wears to school.*
- Emphasizing the importance of the [11.5 King of Kings Community Boosters](#) and the events they organize to help the school.

## **Section 1 - School Calendar**

[School Year Google Calendar](#)

## **Section 2 - Mission and Values**

### **2.1. Mission Statement**

In grateful response to God's grace and empowered by the Holy Spirit through Word and Sacrament, the mission of King of Kings Lutheran Church and School is to make known the love of Christ by word and deed within our church, community, and world.

### **Why King of Kings Lutheran School?**

We believe the goals, purposes, and the very existence of King of Kings Lutheran School is based upon the Word of God. Accordingly, we believe Lutheran education to be unique. Each student at King of Kings is viewed as a child of God; created by Him, redeemed by Him, and sanctified by Him. We also feel Lutheran educators are unique as each teacher views the student and parents as fellow members of the Body of Christ.

King of Kings Lutheran School is committed to sustaining and nurturing the saving faith in the Lord Jesus as presented daily in God's Word for the purpose of equipping His children to glorify God and serve mankind.

We believe the Lutheran Day School to be the most effective agency of religious education in the Lutheran Church, offering a thorough and comprehensive program of religious instruction in coordination with a high quality, natural educational environment.

King of Kings Lutheran School is a Christ-Centered Community of Learners. In a Christian community, the will and love of God gives direction for the daily activities of all members of the community as we strive for excellence in all we do. It is essential for students, faculty, and staff members to agree that certain basic relationships must exist within this community in order to achieve the mission of King of Kings Lutheran Church and School.

### **Standards for Excellence**

Accordingly, the following serves as expectations for relationships among all involved in the King of Kings community:

- Honors God in prayer, chapel, daily conversations and actions.

- Honors self by being faithful, loving, cooperative, and demonstrates this by:
  - Completing tasks on time.
  - Being responsible for their own work.
  - Being faithful in the tasks of teaching and learning.
  - Requesting help and assistance as needed.
  - Choosing language and actions that are appropriate.
  
- Honors others by caring, helping, and supporting them. This is demonstrated by:
  - Honoring students as unique gifts of God.
  - Honoring teachers, administrators, and staff as leaders who God has provided.
  - Arriving in classrooms on time, being courteous and attentive, and not disruptive.
  - Respecting school and others' property as precious gifts of God, and reporting misuse or theft.
  - Seeking to love and honor others in choice of words, tone and body language.
  - Seeking to be fair and objective.
  - Accepting and cherishing educational, economic, ethnic and cultural diversity.
  - Seeking help, reconciliation, peace, and forgiveness when a problem occurs.

### **Section 3 - General Information**

#### **3.1. Administration**

The voting members of King of Kings Lutheran Church elect the Board of Christian Education at King of Kings Lutheran School. The basic objectives of the Board lies in the planning of the educational programs of both the school and the congregation. The Principal is the Executive Officer and is responsible for the administration and supervision of the school program.

#### **3.2. Admission and Enrollment Policy**

The purpose, personnel, and program of King of Kings Lutheran School are centered on the task of assisting Christian families of King of Kings Lutheran Church in educating their children. Other families are invited to enroll their children in our program recognizing that the religious teachings of King of Kings Lutheran School will proceed from the confessional standards of the Lutheran Church-Missouri Synod (found in Article 11, Constitution of King of Kings Lutheran Church). King of Kings Lutheran School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in the administration of its

educational policies, admission policies, scholarship and loan programs, athletics and other school-administered programs.

Based upon its philosophy that every child is viewed as a unique creation of God, it is the purposeful intent of King of Kings Lutheran School to provide a thorough and comprehensive program of religious and academic education.

To ensure quality education at King of Kings, enrollment in each classroom will be processed to maintain teachable student-teacher ratios according to the Board of Christian Education policies.

All students currently enrolled and in good standing will be offered re-enrollment for the following year during a registration period starting in the winter. Registrations will be processed in the following manner:

1. King of Kings Member
  - a. Re-enrollments
  - b. Brother/sister of re-enrolled students
  - c. New enrollments
  
2. Community Member
  - a. Re-enrollments
  - b. Brother/sister of re-enrolled student
  - c. Other LCMS members
  - d. Mission prospects
  - e. Other new enrollments

Priority will be given on the basis of the date paid application is received. Every attempt will be made to accommodate all persons applying for enrollment.

### 3.3. Admissions Process

The application steps are as follows:

- Completion of [online application form](#)
- Family interview with the Principal
- Schedule a shadow day (strongly recommended)
- Submission of current school transcripts or records (Grades 1-8)
- Submission of teacher evaluation forms (Grades 1-8)
- Completion of admission testing (Grades 2-8)
- Completion of Parent and Student Questionnaire and/or Essay
- Submission of IEP or severe medical conditions
- Receive acceptance email from TADS
- Completion of Application for Financial Aid (if applicable)

### 3.4. Requirements for Kindergarten Admission

- Children entering Kindergarten must be 5 years old before September 1.
- Immunization Records
- Early Childhood screening
- Birth Certificate

### 3.5. Interview with the Principal

All families are required to meet with the Principal. The purpose of this interview is twofold: to communicate the philosophy, purpose, and mission of the school and to learn about the family's expectations. An interview with the pastor can be requested concerning church membership.

### 3.6. Shadow Day

The purpose of the shadow day is for the child to come and experience a day in the classroom. This will also provide the staff an opportunity to get to know the child and access academic progress and social interactions with others. During the shadow day, parents are welcome to meet with administration to learn more about the school and community. Shadow days can be scheduled anytime during the regular school day. The different grade level shadow days are as follows:

- Kindergarten - half day in the classroom without parents
- Grades 1 and 2 - half day or full day in the classroom without parents
- Grades 3 through 8 - full day in the classroom without parents

### 3.7. Special Education

The screening test and required documentation are used to determine if King of Kings offers a program that will meet the educational needs of the student. Some students with mild to moderate special needs have been admitted. When a student is not admitted for educational reasons, it is because King of Kings is unable to provide services to meet the child's needs. While we strive to offer the best possible education, there are times when we are unable to provide the kind of program that will meet the needs of a particular student. Students with learning disabilities, limited achievement, or behavior and/or emotional problems may be referred to Roseville Area School District #623 Special Education Services for evaluation, diagnosis, and service upon parent/teacher request.

### 3.8. Child Custody: Court Documentation

The school must have a photocopy of any official court documents that outline the terms and conditions of any child custody. Please submit any updated information to the school office.

### 3.9. Probation of New Students

Each new student is automatically on probation for the first quarter at King of Kings. This gives the school an opportunity to evaluate the student's academic and social adjustment to our program. If it is determined during the course of the first quarter that the student has not made an adequate adjustment to this program, the parents/guardians will be asked to withdraw their child from enrollment. We reserve the right to release any newly enrolled student during the first year of enrollment if satisfactory academic and social levels of adjustment are not maintained.

### 3.10. Supporting School Policies

Parents/Guardians who do not consistently support or are unable to agree with the policies of the school, will be asked to withdraw their child from enrollment.

## **Section 4 - Cost of Educating A Child**

King of Kings Lutheran School operates as part of the total mission of King of Kings Lutheran Church. All church members share the cost of operating and maintaining our Christian Day School. Tuition and fees are just a fraction of what it costs to educate a child in our school. Tuition and fees are reviewed annually. King of Kings uses a tuition management, financial aid and admissions organization called TADS.

### 4.1. Waivers and Releases

These waivers and releases are a part of the TADS Enrollment Forms:

- Medical Release - permission for authorization of treatment
- Media Release - permission for pictures or video for publishing
- Technology & Internet Usage Agreement - guideline and consequences
- School Directory Release - permission to publish phone numbers and address information.
- Yearbook Release - publishing student's pictures
- Field Trip Authorization - walking field trip permission
- Terms & Conditions Pledge - parents pledge involvement, cooperation, encouragement, and to fulfill financial obligations

### 4.2. Fines

Students who through negligence or carelessness cause damage to school property/technology, or lost library or textbooks will be billed through TADS for the amount of the damage or replacement cost.

## **Section 5 - School Communication**

### **5.1. Telephone and Office Email**

School (651) 484-9206                      [kingofkingsschool@kingofkingsroseville.org](mailto:kingofkingsschool@kingofkingsroseville.org)

Students may use the phone only in cases of necessity and with permission from a staff member. Families are requested not to call/text their children at school unless absolutely necessary. The school office is open from 8:00 a.m. – 4:00 p.m.

### **5.2. Royal Update**

The “Royal Update” is the school’s weekly newsletter and is sent to all families via email on Thursdays. This is the regular means of communicating with the home concerning daily, weekly and monthly activities occurring in the school and congregation.

### **5.3. School Website and Social Media**

All families are encouraged to visit the [school website](#) for updated information. Families are also encouraged to follow King of Kings on Twitter ([@kokroseville](#)), Facebook ([@kokroseville](#)) and Instagram ([@kokroseville](#)).

### **5.4. TADS Educate**

[TADS Educate](#) is another communication tool available to families and is available on the school website. Bulletin boards on TADS Educate are used by teachers to share classroom assignments along with lunch orders. Families are encouraged to become familiar with this site.

### **5.5. Email**

Each teacher and staff member has a King of Kings email address. The address is their first initial last name@kingofkingsroseville.org  
(Example: [jschutte@kingofkingsroseville.org](mailto:jschutte@kingofkingsroseville.org))

### **5.6. School Closings**

In the event of extreme weather conditions, King of Kings will announce closings, early dismissals, or cancellation of events on local TV, radio stations, email and social media accounts. Families will be notified via email regarding any following schedule changes.

A temporary Distance Learning Program may be implemented in some circumstances where an extended amount of consecutive time is lost due to school closures.

## **Section 6 - Attendance Policy**

Minnesota compulsory attendance law (§120.10) requires that all children, ages 7-15 (inclusive), must attend a public school or private school, "during the entire time that the school is in session any school year." King of Kings Lutheran School Board of Education recognizes the direct relationship between attendance and achievement. Regular attendance in class is necessary if students are to receive adequate guidance through their class work and benefit from the discussions. All students are expected to attend class every school day. The progress of a student at school depends greatly on punctual and regular attendance.

### **Student and Parent Responsibilities**

- All students and parents/guardians are responsible for making sure the student attends class and is punctual every day school is in session.
- When a student is absent from school, it is the responsibility of the parent/guardian to call or email the office and homeroom teacher before 8:15 in the morning informing the school of the reason for the absence.
- If a student is absent, the student is responsible for making up missed assignments.
- A doctor's note will be required for absences extending beyond three consecutive days.
- Appointments for doctors and dentists should be made outside of school hours. In the event that this becomes impossible, the parent/guardian should inform the school as far in advance as possible.
- We urge you to carefully consider circumstances that keep your child out of school. Regular school attendance is related to the degree of success in school.

#### **6.1. Absences**

It is understandable that students may need to miss school for some of the following reasons: illness, medical appointments, death in the family, and other valid reasons.

The practice of taking students out of school for family vacations/travel and for other personal reasons during the school year is highly discouraged. If deemed necessary to take a student out of school:

- The parents/guardians should notify the office in person, written note or email, at least two weeks in advance.

- Students are to talk to each of their teachers to receive assignments that they will be missing.
- All assigned work is due on the day the student returns to class. If it is not finished upon return, the student may have to stay in during recess to complete their work. Missed tests/quizzes and other assignments are to be completed during school time at the teacher's earliest convenience.
- When a student's yearly absence exceeds 12 days, the parents/guardians must submit a written explanation to the Principal regarding the circumstances for additional absences.

## 6.2. Tardies

Arriving at school after the start of the day, without a valid excuse as determined by the Principal, is considered an unexcused tardy and will affect the student's attendance record.

Students must be in their first period class prior to the 8:15 a.m. bell or they will be marked tardy. When students are tardy they must report to the office for a tardy slip to be admitted to class. When five unexcused tardies are accumulated, the student will receive a detention. Each five unexcused tardies accumulated thereafter will result in another detention.

## 6.3. Truancy

When a student accumulates seven full consecutive days of unexcused absences, it is considered educational neglect and the school will file an educational neglect petition with county social services.

## 6.4. Attendance and After School Activities and Athletics

For participation in after school activities and athletics, students need to be in attendance for half of the day on the day of the event.

## 6.5. Leaving School

It is important for the school to know where students are at all times during the day. Students are not to leave the grounds except when going home at the end of the day or to participate in team activities at Concordia Academy.

## Section 7 - Drop-Off and Pick-Up Procedures

### 7.1. Morning Drop-Off Procedures

- Door #3 (gym entrance) is open from 7:00 a.m. until 8:00 a.m. All students coming to school during that time should enter through those doors and proceed directly to Extended School Care.
- The drive on the west side of the building is a one-way drive going from south to north.
- At 8:00 a.m. Door #1 (main entrance) is unlocked and students should enter through that door and proceed directly to their classroom.
- If you plan on entering the building, please park in a designated parking space and enter the building. Please keep the no parking areas open for drop off only.
- Students riding the bus will be dropped off at Door #3 (gym entrance).

### 7.2. Afternoon Pick-Up Procedures

- All students will be escorted to the designated pick-up destination.
- Students who go to Extended School Care will be taken to the classroom where extended care is being held.
- Students involved in sports will be taken to Extended School Care or a designated teacher for supervision until the coach arrives.
- Students who are being picked up immediately after school will be taken to the north parking lot at their designated areas.
- All drivers should park in a parking space.
- In the interest of safety for your student, please be waiting outside the vehicle so that the teacher can identify who is picking up your student.
- Students who are not picked up by 3:15 will be taken to Extended School Care and will be charged.
- Students riding the bus will wait inside at Door #2 (west entrance).
- **For students who are walking/biking off-campus, parents will need to complete a [Walking/Biking Permission Form](#) and let the teacher know.**

### 7.3. Alternate Pick-Up

When another individual will transport your student after school, it is necessary that the school office and classroom teacher be informed of this change in transportation. In the interest of safety, if no message is received, the teacher will not be able to allow your student to go home with that individual.

### 7.4. Extended School Care

Extended School Care will be offered daily from 7:00 a.m. – 8:00 a.m. and 3:00 p.m. – 5:00 p.m. Any changes to the school schedule may alter this service.

**\* All families using this service must read the [Extended School Care Handbook](#). To register your child for Extended School Care, please complete this [form](#).**

### 7.5. Bus Service and Conduct

Roseville Area Public Schools ISD 623 provides transportation for students at King of Kings who live within the district boundary lines. ISD 623 coordinates and schedules locations and times at the beginning of each year and will provide services according to the ISD 623 school calendar. During the first few weeks of school, it can be expected to have late buses, route changes, schedule changes, and drivers unfamiliar with their routes.

If you make any changes in your student's transportation procedure, or your student brings a friend to or from school, (who is not part of the bus roster), please notify the student's teacher and the bus driver in writing.

State Law ([MN Statute 123B.88](#)) requires school districts to provide free transportation to all students living two miles or more from the school they attend. Because state funding is not provided to transport students living two miles or less from school, Roseville Area Schools will implement a transportation fee for students in grades 7-8 who live less than two miles from the school they attend. Grade 7-8 students living less than two miles from school have the following options:

- receiving a ride from a parent or guardian
- car-pooling
- paying a fee to ride the school bus (information regarding the option to pay can be obtained through the ISD 623)
- walking to school

The school bus is an extension of the school. Students are expected to act respectfully and follow all bus rules. Appropriate disciplinary actions will take place if needed, including suspension of ride the bus.

## 7.6. Bus Service Reimbursement

Families who transport students by car from outside ISD 623 boundary lines may receive a school transportation reimbursement from the home resident school district. More information about this reimbursement can be obtained from the school office.

## **Section 8 - Health Related Information**

### 8.1. School Nurse

Roseville Area Public School ISD 623 provides our school nurse. The nurse will spend scheduled time in our building and will be on call during other school hours. This service will include administering vision and hearing screenings, along with maintaining student health records.

### 8.2. Health of Children

In order for students to perform their best in school, it is essential that they receive the recommended amount of sleep (9-12 hours) and eat a good hearty breakfast. Parents/guardians are asked to keep their child home when symptoms develop. Students with a temperature of 100 or above or have vomited will need to stay home until the past 24-hours. In case of strep throat or other contagious infections, students are to be kept home from school at least 24 hours after antibiotic treatment has started or longer based on physician recommendation. For all other information on current requirements for certain illnesses, please contact the [school office](#).

### 8.3. Physical Limitations

Students with allergies or other physical limitations or needs should be made known to the school and school nurse.

### 8.4. Accidents

Emergency information needs to be updated to facilitate communication regarding illness or accident. "911" will be called for all immediate emergencies. Parents/guardians will be contacted for all accidents.

### 8.5. Physicals

Students are required to have a physical exam upon entering Kindergarten and prior to 7<sup>th</sup> grade. The school urges a yearly exam. All students participating in athletics are required to have a sports physical on file. Students in grades 7 and 8 who are participating on a sports team will use the [MSHSL Sports Physical Form](#). Any student who is transferring to King of Kings is required to have a physical exam on file.

## 8.6. Immunizations

Students at King of Kings are subject to the requirements of the [Minnesota State Immunization Law](#). State law requires that students be immunized in order to enroll in a Minnesota School. To comply with the law and remain in school, families must submit appropriate immunization documents to the school office or school nurse. The following documents will be accepted as evidence of student immunizations:

- Updated health records from previous school within 30 days of enrollment.
- A statement from a doctor or public clinic stating immunizations have been completed.
- A statement from a doctor or public clinic stating at least one dose of vaccine for each disease and is in the process of completing the series of vaccines. In this case you will be allowed 18 months to have your child complete the series.
- A written copy of the student's record submitted by parent/guardian, without a doctor's signature, stating completion of immunization.
- A legal exemption statement for any or all required immunizations.

## **Section 9 - Classroom Information**

### 9.1. Curriculum

The school curriculum has intentionally been built to prepare students academically and spiritually throughout their academic career at King of Kings. Curriculum materials, both Christian and secular, are used from a variety of publishers that offer the best educational opportunities. The curriculum offered in general and core subjects are similar to most elementary and middle schools following the Minnesota state standards. Areas of learning include:

Religion	Social Studies	Art
Reading	Mathematics	Music
Handwriting	Science	Physical Education
Spelling	Health	Technology
English Language Arts		

## 9.2. Biblical Instruction

In keeping with the purpose of King of Kings Lutheran Church and School and the Lutheran Church - Missouri Synod, the curriculum is based on the Word of God. Students have the opportunity of hearing and learning God's Word daily in all truth and purity.

Our school provides opportunities all day long to come to know Jesus who is "the Way, the Truth, and the Life" in a closer and more personal way. This intentional instruction happens in all classes and areas of school.

In the lower grades, biblical instruction chiefly consists of learning Bible stories and memorization with an application to real life situations. Students in Grades 7 - 8 will receive memorization, additional instruction that may cover the Six Chief Parts of Luther's Small Catechism, worship notes, and encourage the ongoing fellowship and disciplines of life in the church (worship, service, prayer, devotional life, etc.). Catechism class is taught on Sundays for students who are members of King of Kings Lutheran Church and for other students who want to be confirmed.

## 9.3. Music

The music curriculum is a comprehensive program that includes many facets of music. The chief function of the choirs and other music groups are to perform at worship services and concerts. When a music group performs at an event, it is necessary for members to be in attendance. These events may be at King of Kings Lutheran Church or other local churches. Parents/Guardians are expected to communicate attendance issues to directors in advance.

## 9.4. Band

Students in Grades 5-8 are invited to participate in the band program. Instrumental instruction and band rehearsals are during the school day. The band program consists of a Beginner Band for Grade 5 and Advance Band for Grades 6-8. Families may rent an instrument from the school for a small annual fee to help provide students an opportunity to participate in band. Payment for the rental fee will be charged to the student's TADS account.

## 9.5. Study Time

Students are given opportunities in school to complete most of their assignments. In cases where students seem to be bringing home large amounts of homework, parents/guardians should arrange to discuss this with the teacher. Parents/Guardians are asked to assist their children in home study by providing proper study conditions, showing interest, and giving encouragement.

## 9.6. Report Cards

Teachers communicate each student's progress to the families through TADS Educate. Teachers will update the grades on a weekly basis. Quarterly progress reports are issued to show student's academic progress. These progress reports are available on TADS Educate about one week after the quarter has ended. Any assistance needed to login or navigate through TADS Educate should contact the school office.

To complement these grading periods, Parent-Teacher Conferences are scheduled after the first grading period and optional conferences requested by teacher or parent/guardian after the third quarter. Specific dates are listed on the school calendar. Additional conferences may be scheduled as needed. Parents/Guardians are urged to make an appointment to discuss their child's progress with the teacher.

## 9.7. Grading Scale

King of Kings currently uses the following grading scales:

### **Kindergarten through First Grade:**

N - Needs Improvement	I - Improving	P - Progressing
M - Meets Standards	E - Excelling	

### **Second through Eighth Grade:**

97-100 A+	87-89 B+	77-79 C+	66-69 D+	59 or less F
93-96 A	83-86 B	73-76 C	63-65 D	
90-92 A-	80-82 B-	70-72 C-	60-62 D-	

## 9.8. Promotion Policy

Promotion to the next grade is determined by the teacher(s) and school administration, considering all factors of the child's school life. No promotion is based exclusively on such items as grade average, behavior, etc. Although the former may be factors, the total future academic, social, and emotional well being of the child determines the advisability of promotion or retention. Parents will be advised throughout the school year if retention is being considered. The teacher will also request a personal meeting with the parents to present all factors involved in the final decision.

## 9.9. Field Trip Policy

Field trips are designed as an extension of the King of King's classroom. It is expected that all students participate in class/school field trips. Students who do

not participate in class field trips may be required to complete appropriate homework that will be assigned at the teacher's discretion. When students are out on a field trip, it is expected that they behave in a manner that is reflective of Christ's actions.

#### 9.10. Field Trip Permission and Transportation

Parents/Guardians sign a "Field Trip Permission" form authorizing the school to take students away from the school premises for field trip experiences. Field trip fees will be added to the student's TADS account when costs are involved.

When busses are used, students will be charged an amount to cover the cost of the trip. Some field trips may require the use of personal vehicles. Before a parent/guardians can transport any students, the "[Parental Volunteer Driver Statement](#)" must be on file in the office. All overnight chaperones will be subject to a background check, and then receive a chaperone guidelines document to review and follow.

#### 9.11. Outdoor Education

Students in Grades 4-8 are involved in outdoor education programs. Grade 4 will visit the Harriet Alexander Nature Center periodically throughout the school year during the regular school day. Grades 5-6 will go to Camp Omega for three days and two nights. Grades 7-8 will attend Camp Widjiwagan in Ely, MN and Camp Luther in Three Lakes, WI for five days and four nights, alternating locations every other year. The overnight programs provide expanded school days and intensive educational experiences utilizing the outdoors as the prime classroom and major resource. An additional fee is included in student TADS agreements at the beginning of the school year. All students are required to attend and participate.

#### 9.12. Parties and Celebrations

Parties are usually planned to celebrate Christmas, major holidays and other special events. Teachers may request help to organize and provide food items. Students may be assessed a small fee to repay costs if donations are lacking.

Students may bring a treat in honor of their birthdays. Parents/Guardians are asked to speak with their child's teacher for convenient times and snacks for such events. It is important to discuss all classroom allergy concerns if food is being provided. It is the responsibility of the Parents/Guardians who are providing the treat to make sure all students' allergies are considered when choosing the treat.

#### 9.13. Extracurricular Activities

To supplement and enrich the curriculum, students are offered a variety of activities in athletics, drama and after school enrichment programs. In order to

offer these opportunities for our students, parent involvement is essential. Please contact [Nick Lilienthal](#) (athletic director) if you are interested in coaching a sport.

See the [Athletic Handbook](#) for more information about our programs. A variety of sports options are offered to students. These activities include:

Boys' & Girls' Cross Country (Gr. 4-8)  
Boys' & Girls' Co-ed Soccer (Gr. 4-8)  
Boys' & Girls' Basketball (Gr. 3-8)  
Boys' & Girls' Track & Field (Gr. 5-8)  
Girls' Softball (Gr. 7-8)

Girls' Volleyball (Gr. 5-8)  
Boys' Football (Gr. 7-8)  
Boys' & Girls' Swimming (Gr. 5-8)  
Boys' Baseball (Gr. 7-8)  
Boys & Girls Golf (Gr. 7-8)

King of Kings is a member of the [Catholic Athletic Association](#) and competes against area Christian schools.

After school enrichment programs may include art, robotics, chess, science, and Legos.

#### 9.14. Classroom Discipline

An important part of the educational experience is learning the skills necessary to live in a community of people. Among those skills are learning self-discipline, positive interaction with others, cooperation and sacrifice for the good of the community. We realize that we live in an imperfect world and the community of King of Kings is no different. We also recognize that we live under the forgiveness and love of Jesus Christ, and it is through that relationship our instruction, discipline and honor for one another is established and strengthened.

Discipline is a part of the discipling process whereby the staff uses God's tools of instruction and correction to help us grow and mature as disciples of Christ. The staff will strive to enable that to happen by seeking to communicate effectively so students have a clear understanding of acceptable practices and behavior, their underlying purposes, resulting consequences (positive and negative) and God's process of change for our lives. The staff will also strive to shepherd our students by seeking to provide a consistent environment and constant reinforcement and reminders.

Discipline becomes necessary when a member of the King of Kings community responds in a way that is contrary to God's will and/or is disruptive to the learning environment of the school. The purpose of discipline is to help students recognize the error, accept the forgiveness needed, learn and grow from appropriate consequences and be renewed through the experience.

#### 9.15. Consequences

Appropriate consequences for may include but is not limited to:

- Loss of recess - The student will lose recess for a given period of time.
- Loss of privileges - The student will not be allowed to attend or participate in future activities for a period of time. The nature of the action or behavior will determine the length of the loss of privileges.
- Writing assignment - The student will complete an assignment on a specific topic related to the action or behavior and must be completed in a given length of time.
- Separation from the class - The student will be separated from the group activity for a period of time.
- Detention - The student will be assigned to complete a detention on a determined date. During this detention the student may engage in acts of service for the school, such as cleaning and tidying up classrooms. Students who receive a detention will call parents to notify them of the detention and when it needs to be served.
- Suspension - This is a period of time the student is restricted from attending school for serious or continued misbehavior. A form signed by the teacher and principal, will be sent home stating the reason for the suspension and the duration of the suspension. This may be in the form of an in-school or out-of-school suspension.

A suspended student may not participate in any school activity from the time the suspension begins until the time the student is allowed to return to school. Assignments will be provided for the student to help stay current with the rest of the class. Prior to returning to school, parent/guardian and student must schedule a re-entry meeting with the principal.

- Expulsion - When a student shows a constant behavioral problem, continues to be a negative influence on peers, or commits a serious moral, ethical, or legal offense, this student may be removed from the school. The principal recommends all expulsions to the Board of Christian Education for approval.

When a child brings any type of physical harm to another student (i.e. making physical contact, hitting, kicking, fighting, etc.) or immoral activity unbecoming a Christian is exhibited (i.e. cheating, stealing, telling lies, swearing, using foul language, harassment/bullying, public disrespect for authority figures, etc.), consequences may move immediately to a higher level.

## Section 10 - Policies

### 10.1. Grievance Policy

Christian education functions best when harmony exists. It is our hope that this harmony can be maintained throughout the year.

In conflict situations or where there is a grievance, the persons involved should take steps to resolve the problem by following our Lord's direction as found in Matthew 18:15-17:

*"If your brother sins against you go and tell him his fault, between you and him alone. If he listens to you, you have gained your brother. But if he does not listen, take one or two others along with you, that every charge may be established by the evidence of two or three witnesses. If he refuses to listen to them, tell it to the church. And if he refuses to listen even to the church, let him be to you as a Gentile and a tax collector."*

1. The parent/guardian should speak to the teacher with whom they have a conflict or grievance.
2. If there is no resolution, the parent/guardian should meet with the teacher again with the Principal also in attendance.
3. If there is still no resolution, the parent/guardian should bring the matter to the attention of the Board of Christian Education. This may be done by a formal written request addressed to the Board of Christian Education chairperson.
4. The Board of Christian Education will conduct whatever investigation is deemed necessary in response to the parent concerns. The decision of the Board of Christian Education is final. A detailed summary report of the concerns, any investigation, and the Board of Christian Education's decision will be written and placed under file.

The goal of these steps is always to restore relationships and, in so doing, promote the sharing of the Gospel of Jesus Christ. It is strongly recommended that all parties involved will document their communication. Documentation should include an action plan, parties involved, dates and signatures of all parties. See [Cooperation](#) in Section 11 of the Family Handbook.

### 10.2. Harassment/Bullying Policy

It is the policy of King of Kings Lutheran Church and School to maintain a learning and working environment free from sexual and/or any other type of harassment. It is a violation of this policy for any member of the King of Kings community to harass any other person or persons through conduct or communications.

Harassment by any student shall not be tolerated. The school administration will treat allegations of harassment seriously and will review and investigate such allegations in a prompt, confidential and thorough manner. A charge of harassment shall not, in and of itself, create the presumption of wrongdoing. However, substantiated acts of harassment will result in disciplinary action up to and including dismissal. Individuals found to have made false or frivolous charges will also be subject to disciplinary action up to and including dismissal.

Harassment has the purpose or effect of creating a negative impact on an individual's performance or of creating an intimidating, hostile or offensive environment and includes but is not limited to:

- Verbal conduct such as derogatory comments and or jokes with intent to harass; threatening or obscene words spoken to another person; written communication that is intimidating and/or inappropriate for a student or adult Christian learning environment.
- Visual conduct such as publicly displaying or making obscene gestures with the intent to harass; derogatory cartoons, drawings, pictures, gestures, posters or written words.
- Physical conduct such as leering, assault, blocking normal movement, touching an individual's body or clothes in a sexual way, etc.
- Sexual conduct such as unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature.
- Bullying, which is the repeated intimidation of others by any written or verbal expression, or physical act or gesture, or pattern thereof.
- Threats and demands to submit to inappropriate requests.
- Retaliation for reporting a violation or participating in an investigation.

Teachers will discuss this policy with their students at the beginning of the school year in age-appropriate ways and will assure students that they need not endure any form of harassment.

Anyone at King of Kings Lutheran School, who is subject to or witnesses harassment, should immediately report such conduct to the teacher, principal, or pastor.

### 10.3. Reporting Procedures

Students who believe they have been subjected to harassment in violation of this policy may complain to any staff member of King of Kings Lutheran Church and School. Parents/Guardians should communicate complaints on behalf of children

to their child's teacher, the principal, the Board of Christian Education chairperson, or the pastor.

1. The adult receiving the complaint shall, along with the complainant, promptly complete and forward a written statement of the facts to the principal or Board of Christian Education chairperson.
2. A committee of two or more established by the Board of Christian Education shall investigate all allegations brought to the Board's attention promptly. The person against whom the allegation is made, or parent/guardian if the alleged harasser is a minor, shall be notified in writing of the allegations and may be provided an opportunity to respond during the course of the investigation. The investigation committee shall document its investigation and shall present a written report to the Board of Christian Education at the conclusion of its investigation.
3. Following the investigation and after consultation with the pastor, appropriate action shall be taken as deemed necessary by the Board of Christian Education. Such actions may include, but is not limited to:
  - admonishment
  - temporary removal from the classroom
  - deprivation of privileges
  - classroom or administrative detention
  - suspension (in-school or out-of-school)
  - exclusion
  - expulsion
  - dismissal and/or removal from position
  - others as determined
4. The complainant and accused, or parents/guardian, shall be informed in writing at the conclusion of the investigation that all allegations have been investigated and what action will be taken. Confidentiality, both of the complainant and the accused, will be respected consistent with the congregation's legal obligations and with the necessity to investigate allegations of misconduct and to take appropriate remedial action.
5. Reports of harassment made in good faith shall not reflect adversely upon the complainant. The Board of Christian Education will discipline or take appropriate action against anyone who retaliates against someone who has made a good faith report of alleged harassment.
6. Individuals found to have made false or frivolous charges may be subject to sanctions deemed necessary by the Board of Christian Education.
7. Appropriate civil or criminal authorities shall be notified of any substantiated complaints when required by law.

#### 10.4. Clothing Policy and Appearance

It is the parents/guardians responsibility to take the leadership and guidance for what their child wears to school. These guidelines are applicable to all King of Kings events, such as concerts, field trips, etc. King of Kings requires all students to wear clothing that is a reflection of their Christian training and does not disrupt or distract from the educational process. As Christians, we should want to take a certain pride in the way we present ourselves to the public. Therefore, the following guidelines are given to reflect our beliefs and values.

- Students are encouraged to “dress up” for chapel services to show respect.
- Clothing should be neat, clean, in good taste and functional. There should be no holes in clothing.
- Clothing should be of the appropriate size for the wearer. Pants must not drag on the ground or fall in folds around the feet. They must fit at the waist. They may not look baggy. Pants with any type of writing on the backside are prohibited.
- Shorts and skirts should be of modest length (5” inseam or greater). Considerations will be used while understanding the differences in the age of our students, different body sizes, and the style of clothing. Modest length means it must be appropriate when initially observed, with the recommendation of exceeding finger length when placed at your side.
- Clothes may NOT have any offensive words or pictures on them, such as skulls, innuendos, or alcoholic beverages. NO halter or midriff tops may be worn. A t-shirt must be worn under any tank or spaghetti strap top. Shirts and dresses must have sleeves.
- Tight fitting clothing is not acceptable. Undergarments must be worn and not exposed. Leggings, yoga style pants, athletic leggings, or any similar item may be worn with skirts, shorts or long shirts.
- Shoes should not present a danger to the wearer. Flip flops, sandals, slides or other footwear without a closed-toe and/or a backstrap are not to be worn at any time during the school day. For student safety, tennis shoes that tie or are secured in some way must be worn during P.E. class. Shoes with wheels are prohibited.
- Ears may be pierced but other parts of the body may not be pierced.
- Make-up may not be worn prior to seventh grade. Students wearing excessive make-up will be asked to remove it.
- No hats or hoods are to be worn in the building during the school day.

- Coats are not to be worn in the classroom. Students should wear warmer clothing if the building seems cool.
- Students should come prepared for outdoor activities by having the appropriate outerwear (i.e. snowgear, rain gear).
- It is our recommendation that all items be labeled with the student's name.

If there is a violation of the above rules, the student will be asked to change into their P.E. uniform or cover up the offending clothing. If this can't be done the student will call home to get appropriate clothing. Recurring problems will result in a meeting with parents and principal to determine appropriate action.

Exceptions to the dress code may be made for certain events like graduation.

#### 10.5. Royals Logo Wear Days

Students may be asked to wear their King of Kings logo wear to show school pride on certain days throughout the school year (i.e. field trips, National Lutheran Schools Week, special school/grade level events). Order forms for logo wear are available on the [school website](#) or in the school office.

#### 10.6. Lost and Found

King of Kings will provide an area for "lost" materials during the school year. All unclaimed materials will be given away following each quarter.

#### 10.7. Recess

All students participate in daily outdoor recess, weather permitting. Students may bring equipment, such as balls, bats, etc. with the teacher's permission. Please label all equipment. Parents/Guardians need to make sure their child has appropriate clothing for the weather.

#### 10.8. Gum Chewing

Gum chewing is not allowed at King of Kings. Students chewing gum will have the gum confiscated and be given a warning. Parents/Guardians will be called for a second offense.

#### 10.9. Lunch and Snacks

We encourage families to send nutritious foods for snacks and lunch. Similar to receiving an appropriate amount of sleep, eating a well balanced diet will help students perform their best. Soda is not allowed except for special occasions

announced by the teachers. To encourage healthy eating habits, fruits, vegetables, cheese, crackers and nutritious bars will be allowed for morning snacks.

The hot lunch program is optional. Families will receive a monthly menu and order form. Hot lunches are ordered in advance and it is the responsibility for families to keep track at which day a meal is ordered for their child(ren). When ordering, families are required to have money in their lunch account in advance or asked to be automatically billed through TADS. If another payment plan is needed, please contact the Principal. All meals purchased by a family will be charged to the family, unless certain circumstance happen like when a student is sick or if a special meal was provided for students after the order form was due.

#### 10.10. Use of Cell Phones and Social Media

We are a society that is reliant on our cell phones, internet, and the need to be in constant contact with our family and friends. Our students are no different. The vast majority of our upper grade students have a cell phone and belong to one or more social media websites. It is our hope that our King of Kings families are using these avenues of communication in positive ways.

*“Let the words of my mouth and the meditation of my heart be acceptable in your sight, O Lord, my Rock and my Redeemer.” Psalm 19:14*

(this includes text messages and social media posts)

In this ever changing world of technology, this bible verse is a reminder that what we say or do should always make God smile. We are responsible for our words and actions no matter where we are, even if we type those words instead of saying them aloud for people to hear.

Cyber bullying is defined as the use of the internet, cell phones, or other technology to bully, harass, embarrass, or threaten another person. We pray that this and other inappropriate texts/posts do not happen at King of Kings.

#### 10.11. Cell Phones and Other Communication Devices

Cell phones and other communication devices are not allowed during regular school hours of 8:15 a.m. – 3:00 p.m. These devices also are not to be used in Extended School Care without prior permission from the Extended School Care staff. If a device is seen or heard at school, it will be confiscated. The school phone is available for students to use when it is necessary. Parents should also use the school number to leave a message for their child to help prevent distractions in the classroom.

#### 10.12. Social Media

Social media sites are not to be accessed by students at any time using computers owned by King of Kings unless specific permission is granted. Always keep in mind that you are representing yourself, your family, your school, and most importantly your Lord when you are posting messages online. No inappropriate comments should be made about teachers, parents, or other students of the King of Kings community. You will be held accountable for your words in texts/posts.

Inappropriate texts/posts are determined the same way we treat the words that come out of our mouths. At King of Kings, we use three simple questions:

- Is it true?
- Is it necessary?
- Is it kind?

All three questions must be answered “yes” before the message is sent.

Inappropriate texts/posts referring to a staff member, parent or student in our King of Kings family need to be shared with the Principal. The Principal will only address instances where there is documented proof of the text/post. If you happen to view any of these inappropriate messages, save it, and show the Principal. The Principal cannot handle situations where there is no evidence of such a text/post. When notified with documented proof, the principal will handle the situation in a Christ-like manner, encouraging forgiveness and restoring the relationship that has been hurt. Consequences will result according to the discipline policy in the handbook. Parents/Guardians are encouraged to monitor or be aware of their child’s use of social media on a regular basis.

### 10.13. Technology Acceptable Use Policy

Technology is a gift from God to His people. When we are given a gift it is up to us to use that gift in a manner and way that is glorifying and edifying to God. King of Kings recognizes the role and value that technology plays in the lives of God’s people today. It is necessary to put into place parameters that will guide and direct how this technology is and will be used at King of Kings. The use of the technology is a privilege, and not a right and any misuse of the congregation’s technology will result in the loss of those privileges.

**\* All students and parents will sign the [Acceptable Use of Technology Policy](#) at the beginning of the school year.**

## **Section 11 - What We Ask Of Our Parent(s)/Guardian(s)**

### 11.1. Cooperation

The word means working together. King of Kings realizes the responsibility for the soul of the child rests upon the parents/guardians, with the school as an assisting agency. As part of the church, we have a responsibility to bring the life of Jesus to all people and to teach them to observe all things God has commanded. In such an

important matter of responsibility, we need to work together in love. Our prayers for you and your prayers for us are always important.

If you have any concerns regarding your child's education, please consult your child's teacher. Only by being aware of any problems can we begin to solve them.

For King of Kings to flourish, we must have the full support and cooperation of both our students and their parents regarding administrative decisions and operations. Please prayerfully and thoughtfully review the following expectations for you and your child(ren).

1. I agree with the [Mission and Values](#) as outlined in Section 2 of the Family Handbook.
2. I commit to following the biblical problem-solving guidelines as listed in the [Family Handbook](#) and as discussed in Matthew 18. At all times, these meetings and interactions will be respectful in nature as stated in the [Standard of Excellence](#). When a problem occurs, I will seek help, reconciliation, peace, and forgiveness.
3. I will always speak well of KOK and its stakeholders...*We are on the same team!*
4. I will always assume the best intent in others...*We have the same goal!*
5. I acknowledge it is always my responsibility to initiate a meeting or conversation if something is bothering me...*We all want to grow and have healthy relationships!*
6. Recognizing that private Christian education requires strong parental support. I agree to regularly participate in school events and show positive interactions with others while doing so.
7. I will help my child succeed by arriving at school on time, facilitating homework, communicating properly with teachers, and reading all communication from the school (i.e. teacher emails, Royal Update).
8. I will treat all community members with respect. This includes my language, body positioning, gestures, and actions are all God-pleasing.
9. I will communicate with teachers at appropriate times when they are available and will not interrupt other students learning when doing so.
10. For the benefit and welfare of the entire King of Kings community, I agree to adhere to KOK policies, rules, and regulations, as described in the Family Handbook. I understand continued enrollment is based upon a positive working relationship with King of Kings school leadership and staff, the

parent's and/or student's behavior and attitude, as well as the student's spiritual growth and academic progress.

11. I agree to cooperate with and support the school's disciplinary action regarding my child's attitude and behavior by further addressing such issues at home.
12. I agree that KOK has full discretion over grade placement and it is expected to be communicated by KOK before a decision is made.
13. I understand that if my child is found responsible for any damages to school property, I agree to reimburse the school in a timely fashion.
14. I agree to abide by the [KOK Family Volunteer Policy](#) that is described in [Section 11.4](#) in the Family Handbook.
15. Unless prior arrangements have been made with the principal, I agree to have all tuition payments and fees paid in full by May 15.

**\* All parents/guardians must sign a [Parent Conduct Form](#) at the beginning of every school year or at the beginning when the student enrolls.**

#### 11.2. Encouragement

Encouragement, not flattery, will do much to help. Encouraging a child to overcome difficulties, rather than bypassing them, may be more difficult to do, but such action will produce traits in the child that will last a lifetime.

#### 11.3. Church and Sunday School Attendance

In keeping with the religious training of the school, all students are expected to attend worship services with their families at their home church. Weekly church attendance is a positive example that supports the teachings learned in school. It also encourages Sunday School and Bible Study participation.

For families seeking a new church home, King of Kings Worship Services and Sunday School classes are as follows:

##### Sundays

- |            |  |
|------------|--|
| 8:30 a.m.  | Traditional Worship  |
| 9:45 a.m.  | Sunday School, Confirmation Class (Gr. 7-8), Adult Bible Study |
| 11:00 a.m. | Alternate Worship  |

The pastors from King of Kings Lutheran Church are also the pastors for our school families. You can learn more about the church by stopping in to talk to one of them or by visiting the [church website](#).

#### 11.4. Volunteering

Each family is asked to complete volunteer work during the course of the school year. The purpose of this [policy](#) is to continue to strengthen the community involvement with families and help provide services to the school to continue to limit the rise in cost of tuition.

There is an expectation of ten volunteer hours per family each school year. A variety of volunteer opportunities are available such as fundraising efforts with the King of Kings Community Boosters, work in the classrooms, school events, coaching, and other school related activities. Families who do not complete ten hours of service will be charged \$100 through TADS towards the end of the school year.

#### 11.5. King of Kings Community Boosters

The King of Kings Community Boosters is an organization that seeks to help King of Kings carry out its goals in Christian education by:

- serving as a liaison between the church, school and home;
- helping families understand and appreciate their children;
- helping teachers become better acquainted with the parents/guardians;
- developing a closer relationship between home and school through cooperation between families and teachers;
- serving through various volunteer programs and fundraising

Membership in the Boosters is open to anyone who wants to be connected to the school and church. Parents/guardians who have children enrolled in the school make up the majority of those who are serving.

The Boosters organize social events and provide financial support for various special needs of the school through its major fundraiser, **Royals Night. Providing these funds and events are essential to the success of King of Kings Lutheran School.**

#### 11.6. Family Financial Account

##### *Tuition Agreements*

Every family will receive a Tuition Agreement from TADS stating the financial obligation that each family will agree to. Families will choose a payment plan that best fits their needs. When signing the Tuition Agreement, families are able to choose from a One, Two, or Monthly Installment Plans with the due date being the 5<sup>th</sup>, 15<sup>th</sup>, or 25<sup>th</sup> of a month. Payments may be designed in a way that best fits the family's needs. Please contact the Principal if a different tuition payment plan is preferred.

##### *Fees*

Additional fees may be applied on the tuition agreement and throughout the year. Some typical fees are outdoor education (Gr. 5-8), milk, field trips, yearbook, and extended care.

**\* TADS will apply a late fee to any invoice that has a balance after the due date. To avoid late fees, please contact the school office before the due date to make other payment arrangements.**

#### *Hot Lunch Payments*

It is the responsibility of the parents/guardians to have funds available in their child(ren)'s lunch account. Please contact the school office if help is needed in determining the best payment plan for hot lunch. Families who continuously have a negative balance will not be allowed to order future hot lunches, unless a meeting has been scheduled with the Principal to discuss special circumstances and alternative payment options.

**\* Any unpaid fees after May 15 may be rolled over into the next tuition agreement. Timely communication with the Principal is essential when tuition & fee payments cannot be met.**

## **Section 12 - Student Information**

### 12.1. Student Responsibility

Each year, students are asked to accept their God-given responsibility “to grow in wisdom and in stature and in favor with God and man”(Luke 2:52).

### 12.2. Student Code

Students are asked to abide by the following Student Code:

1. I want to attend King of Kings to receive a Christ-centered education.
2. I will work hard each day to develop my God-given talents to the best of my ability.
3. With the help of God,
  - I will show that Jesus is a part of my life by being responsible for my actions, which shows love towards others.
  - I will treat others with love, kindness, patience, and in a spirit of forgiveness.
  - I will show honor to staff, pastor, coach or any adult by listening carefully and following their instructions.
  - I will keep my hands, arms, feet, and legs to myself.

- I will treat others with honor by calling them by their given name. I will not make fun of or put down fellow students or adults.
- I will use words and actions that glorify Christ.
- I will dress according to the school clothing and appearance policy.

I understand that if I do not follow these expectations I will accept the appropriate consequences for my behavior.
